	417,683	34,806	438,734	36,561	1,754.27

Contrary to a perception which was created out there, Government has been consistently adjusting salaries and benefits for its employees including teachers.

Apart from salary adjustments, the following have also been improved

- Housing benefit
- Home Owners Scheme for staff members
- PSEMAS and Transport

Government has also recognised the hardships of eligible staff members in the remote areas by introducing the remoteness allowance.
